

YEAR TO DATE Trust level BPT commissioners report – 2018/Q1 (3 months)

This is a 'year to date' BPT report containing a summary of cumulative data of discharged patients by trust indicating BPT status for the period indicated above. Please note, a quarterly report is also available, however, where a provider and commissioner agree reconciliation over a period greater than quarterly, or where the provider have a low level of BPT applicable activity in a quarter, it may be more appropriate to agree to use this year to date report.
